**YOU'VE GOT
A FRIEND**
by James Taylor

If the sky above you
Grows dark and full of clouds,
And that old north wind begins to blow,
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door.

You just call out my name
And you'll know wherever I am
I'll come running to see you again.
Winter, spring, summer or fall
All you have to do is call
And I'll be there.
You've got a friend.

Ain't it good to know you've got a friend
 When people can be so cold.
 They'll hurt you, and desert you
 And take your soul if you let them.
 Oh, but you don't let them.

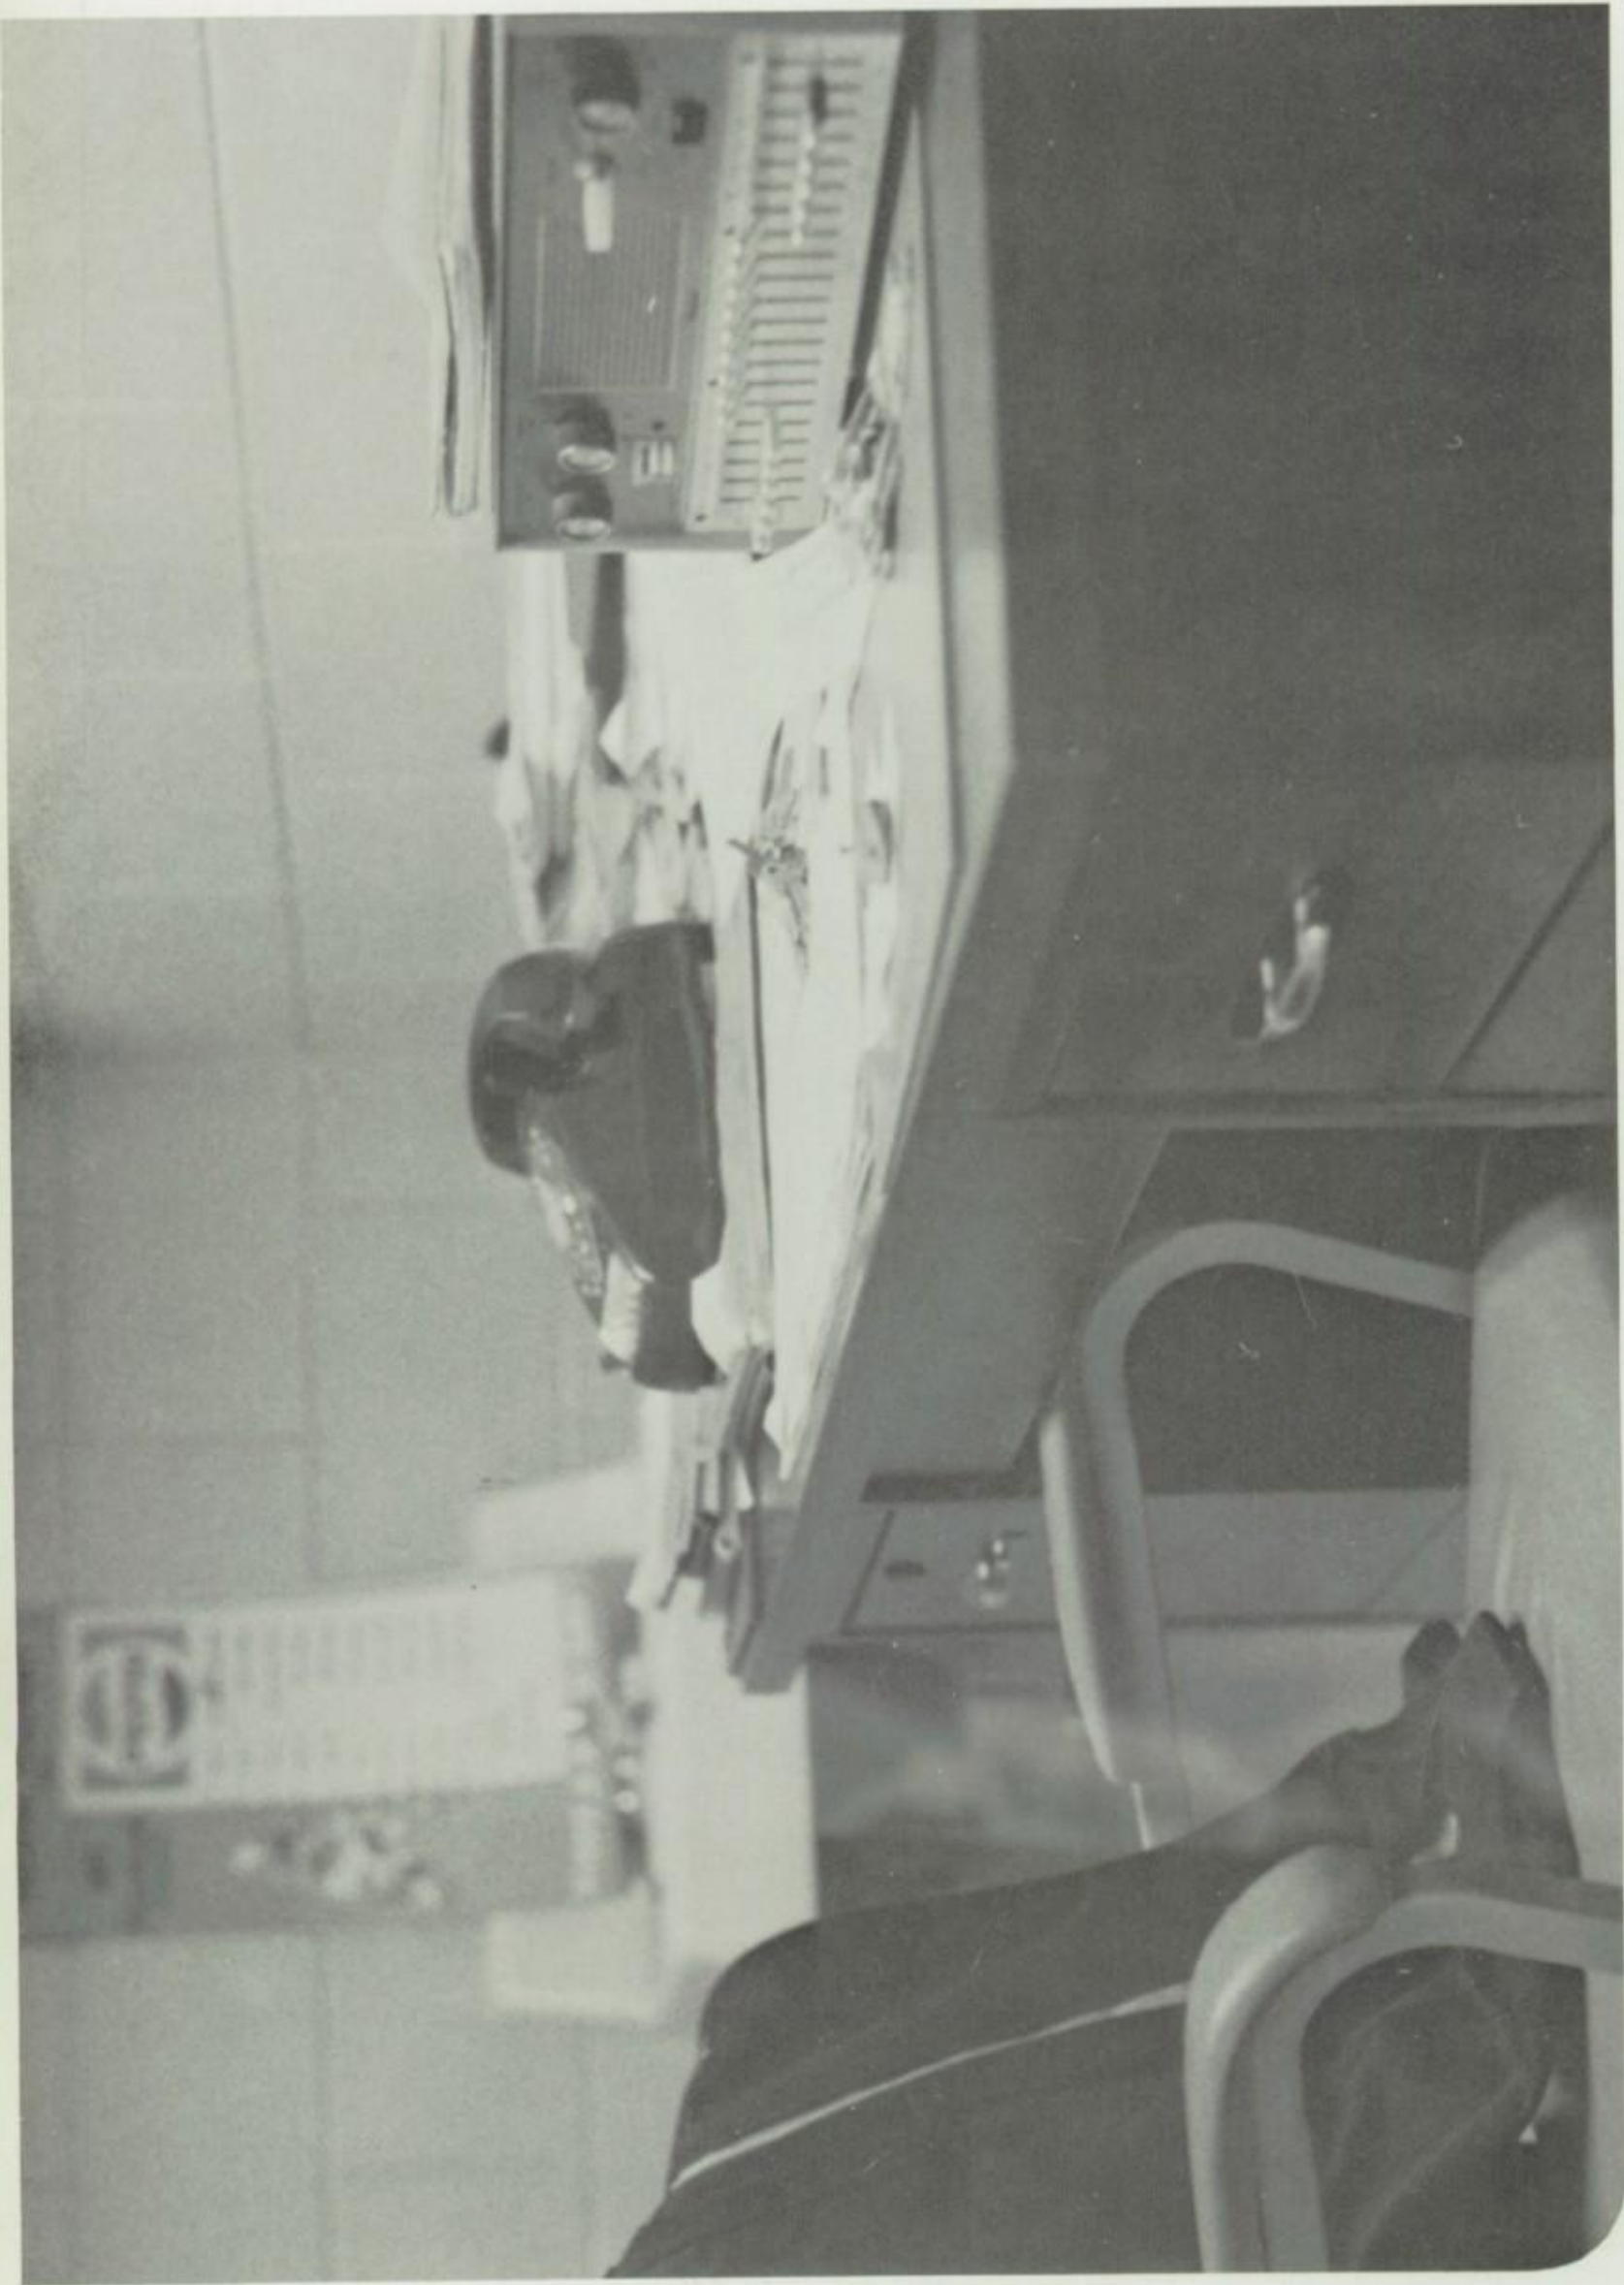

You just call out my name
 And you know wherever I am
 I'll come running to see you again.
 Winter, spring, summer or fall
 All you have to do is call
 And I'll be there.
 You've got a friend.

OUR DEDICATION

The dedication of our yearbook must be one of the most important decisions made by The VOYAGER Staff each year. A lot of hard work has gone into each page of The 1977-78 VOYAGER, and we have dedicated all of our work to one whom we feel is the most deserving. She is never too busy to help anyone who needs her, no matter how much trouble it may be. She is always ready for a friendly chat or a chance to get to know her students better, yet she does her job so well there's no doubt she's serious about her work. For the last two years she has been sponsor of The VOYAGER, and we have all grown to both like and respect her. It is with great pleasure that we, The VOYAGER Staff, dedicate the 1977-78 VOYAGER to

Mrs. Elaine Jones.

FOOTBALL '77

1st. row — S. Cobb — manager, D. Cobb, D. Nelson, J. Vaughan, J. Tillery, C. Boseman, S. Brickhouse, D. Gardner, D. Edwards, M. Vaughan — manager 2nd. row — B. Carroll, M. Vaughan, B. McGuire, M. Gardiner, D. Smith, E. Sigmon, B. Smith, M. Gardner, S. Cooke. Standing — J. Kerr, J. Strickland, K. Abshire, E. Gregory, Q. Gregory, K. Luter, K. Williams, M. Davis, C. Conner, Coach Rook.

This year our Halifax Academy Vikings were the Carolina Academy Conference Runners-Up. They finished the season with four wins and one loss in the conference, and a 6-5 over-all record. The Viking squad, which was expected to be a weak team, surprised the fans with many great performances. Even though they lost to Hobgood in the State Play-Offs they still displayed the same Viking spirit and determination.

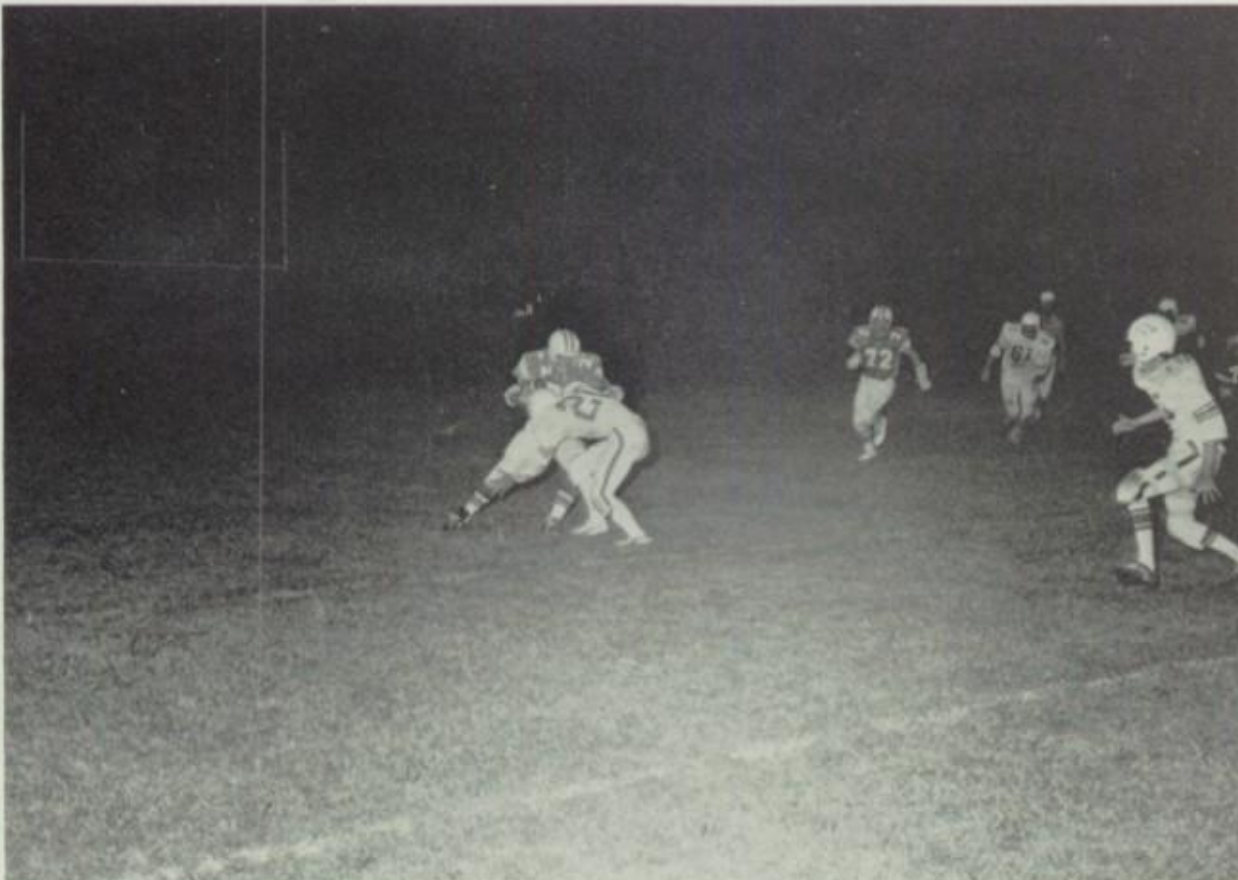

The team loses seven seniors to graduation but the outlook for 1978 still appears bright. The '78 Viking squad will have a number of starters returning on the line as well as three returning in the backfield.

The Coach gives instructions

Offense is very important and the Vikings do a good job.

The Coach waits and wonders.

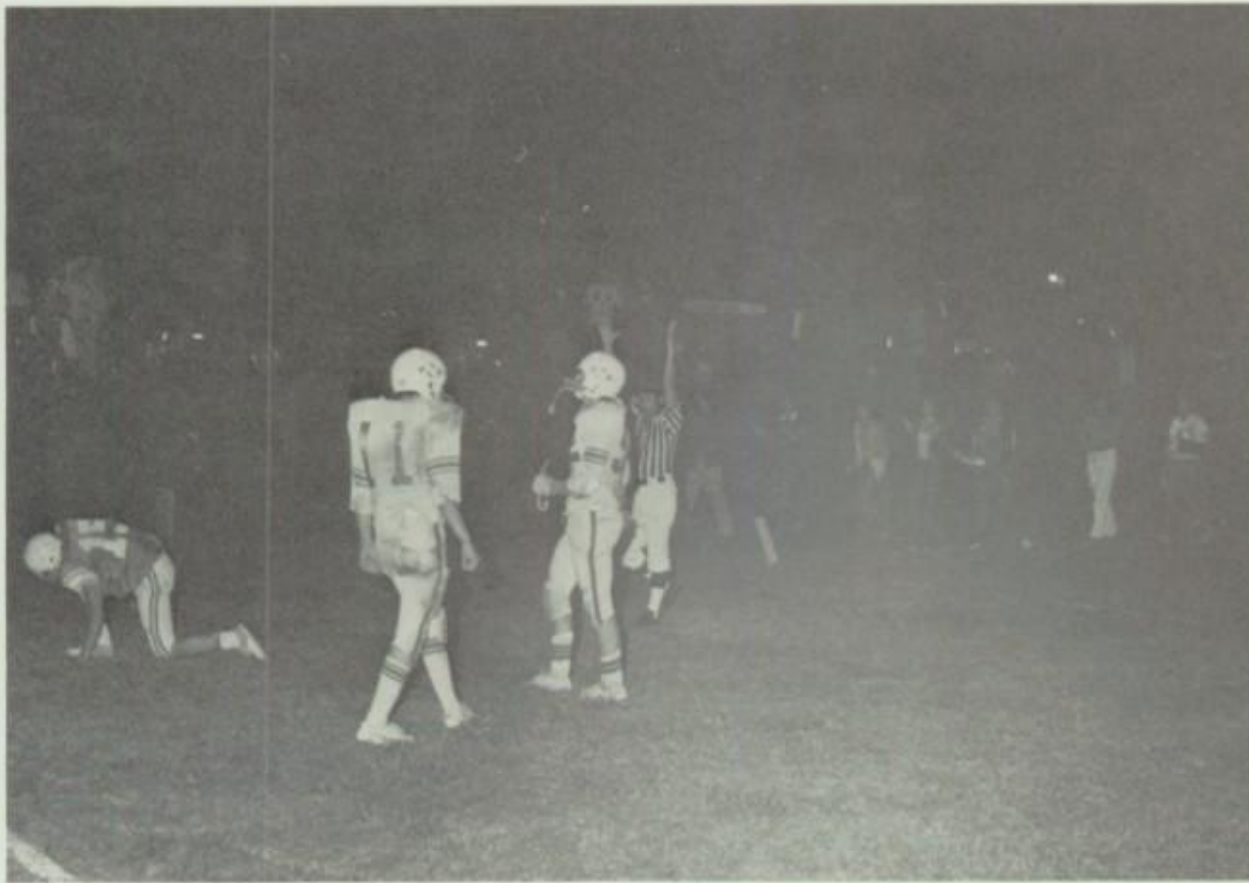

The ball's up there. What are you all doing?

Hang in there Marty!

TOUCHDOWN!

Good catch
Kenneth!

Kenneth anticipates
a touchdown.

Faithful fans!

Kenneth leaps for a first down.

Who's that you're pushing Junius?

ALL-CONFERENCE

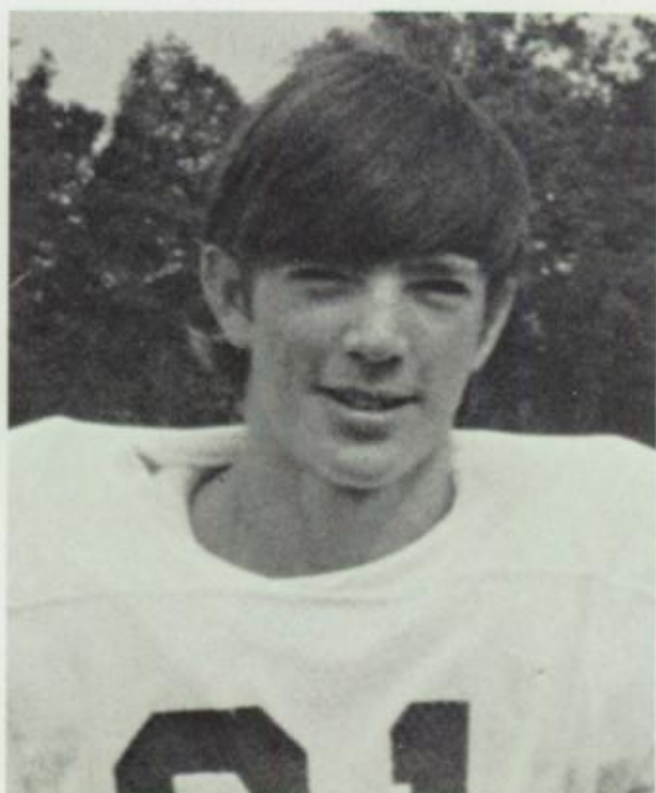

Quentin Gregory — Quentin was a senior tight-end that excelled as a receiver even though it was his first year of football. He caught five touchdown passes and made many clutch catches throughout the year. Quentin played halfback on defense.

James Kerr — James was a senior guard and the best offensive lineman on the team. He was a steady player each game throughout the game even though he played with injuries for over half the season. James was a team oriented player that did his job and didn't worry about individual glory.

Mike Vaughan — Mike was a senior halfback that everyone in the conference respected for his outstanding speed and he made the team a threat to make big plays. His importance to the team was shown when he was injured late in the season as the team never regained its outstanding running game. Mike was also a defensive halfback.

Chris Conner — Chris was a junior that was one of the best defensive players in the conference. He played guard on defense and many times he broke through into the backfield to take the hand-off from the opponents quarterback. Chris was the leading tackle on the team and he was also a good blocker from his offensive center position.

Marty Gardiner — Marty, in only his junior year, was probably the best running back in the Carolina Academy Conference. He played in only 8 of the 10 games but still managed to be the lone 1,000 yard rusher in the conference. Marty also excelled on defense as a linebacker and he possessed outstanding team leadership throughout the season.

After a year of rebuilding the Vikings got back to winning CAC baseball crowns. They finished the season with a 9-1 record. The Vikings had a good all-around team in the areas of pitching, fielding and base running. The team only lost one starter so all hopes are high for this year.

Coach Rook was always pushing his team and was always sure to work them hard. This being one of the main reasons for a great season. Mr. Rook also said a advantage was the teams concept of winning and the good attitudes of the players.

Team members were; Jay Strickland, Howard Hornsby, Donnie Ray Edwards, Kenneth Luther, Edwin Gregory, David Dunlow, Joel Evans, Michael Gardiner, Eric Sigmon, Dale Conner, Marty Gardiner, Stephen Cooke, Mike Vaughen, Billy Carrol, Jamie Vaughen, Ronnie Hales (mgr.) This year's boys' basketball team has missed the seven seniors that graduated from last season's team. They only had one starter to return this year but had some good returning lettermen as well as a few rising J. V. players. Due to the togetherness and unselfishness that the team possesses it could be very successful. With only one senior starter on the team the Vikings are looking forward to future successful years.

Quentin makes an easy two points against Enfield to tie up the score.

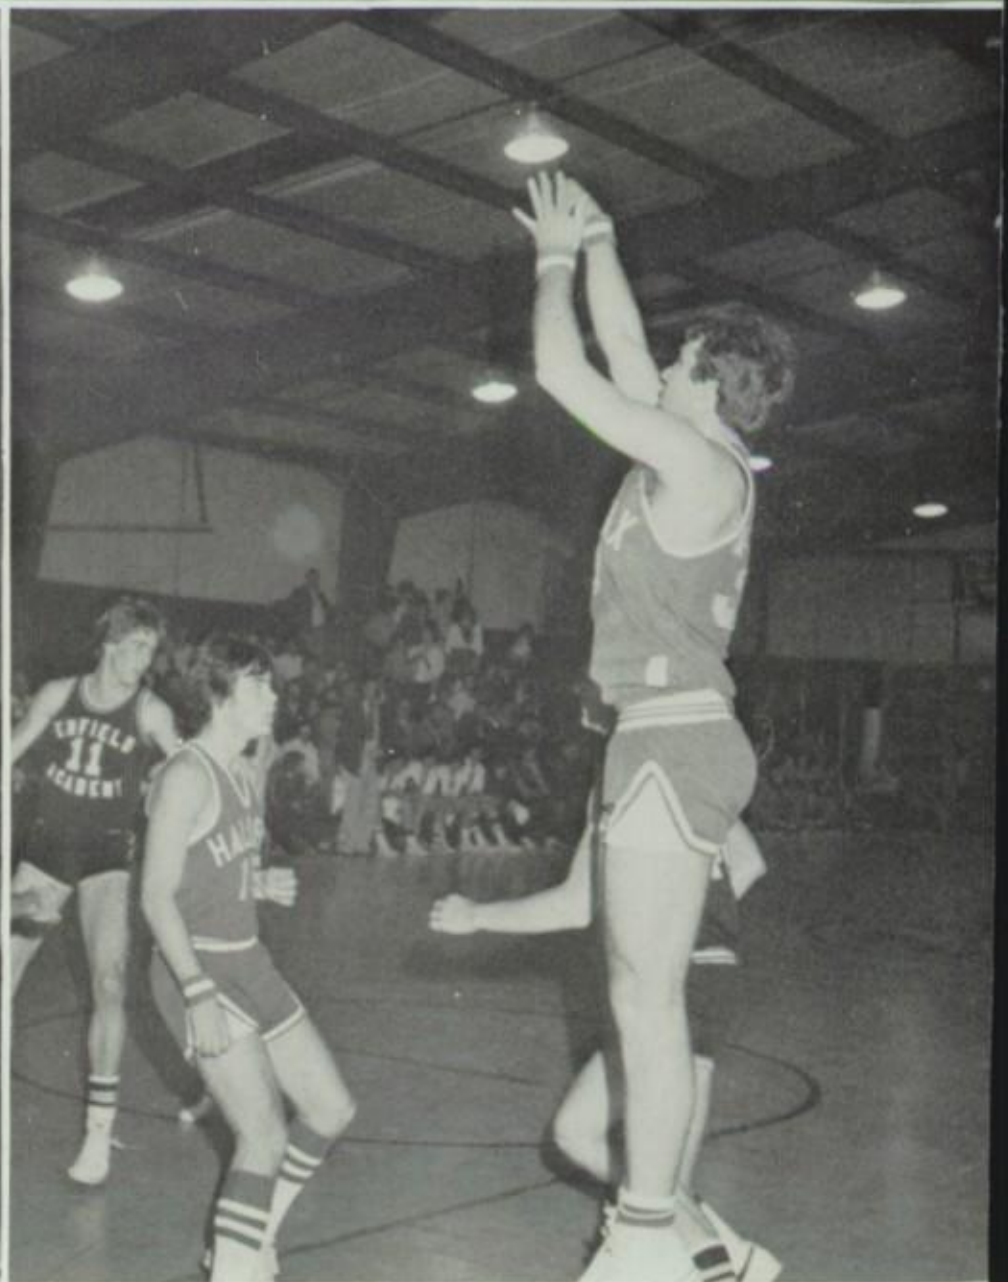

Bill's not going to let him make two points that easy!

VIKING ACTION

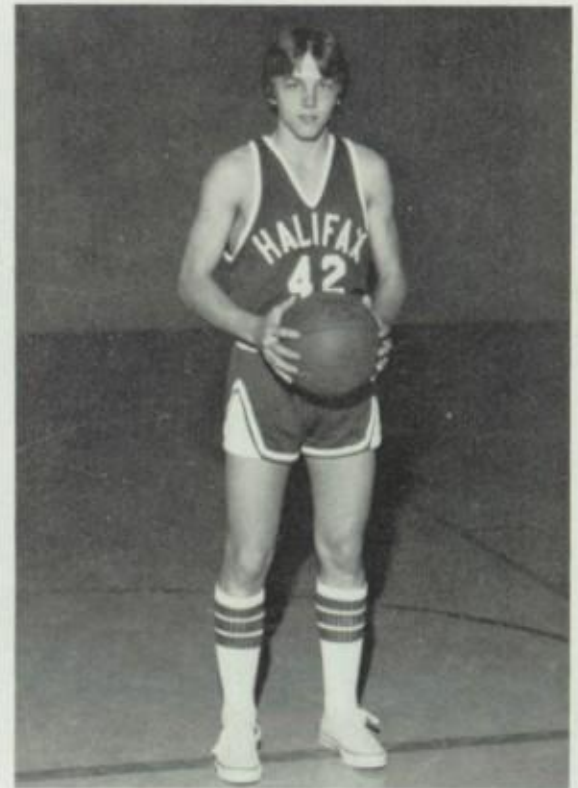

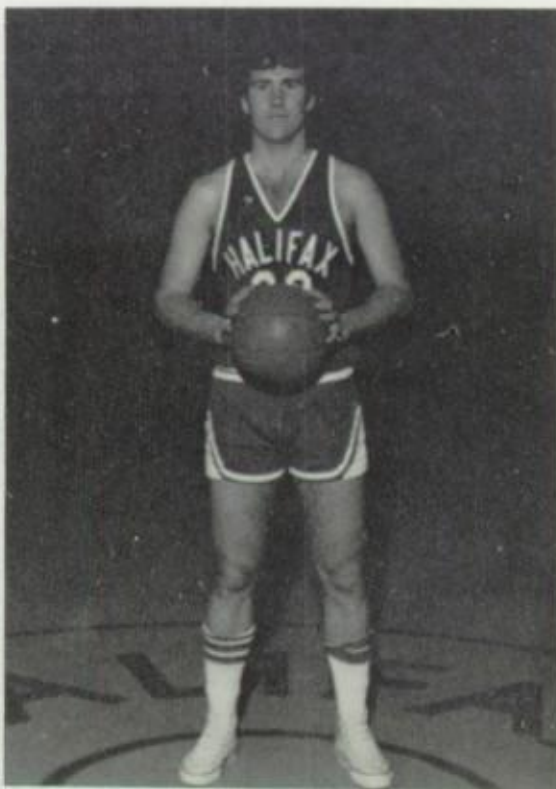

The managers are a great asset to both the boys' and the girls' teams. If it weren't for them, a lot of things would go undone. They lug all the basketballs, first aid kits, and other odds and ends to all the games. Never once did you hear them complain. Whenever someone gets hurt they're the first ones to come see what they need to do to help. Our managers deserve a big "thank you" from everyone.

This years team shows the same promise as last years team at this point of the season. As it should, considering the team is almost completely in tack with a few added surprises coming up from last years javee team. With Mr. Rooks guidance the girls should be off to another great season. Mr. Rook commented that this team shows good determination and hustle. "Togetherness is one of the main ingredients to the teams success." With a few breaks the girls should present the school with a few pleasant surprises.

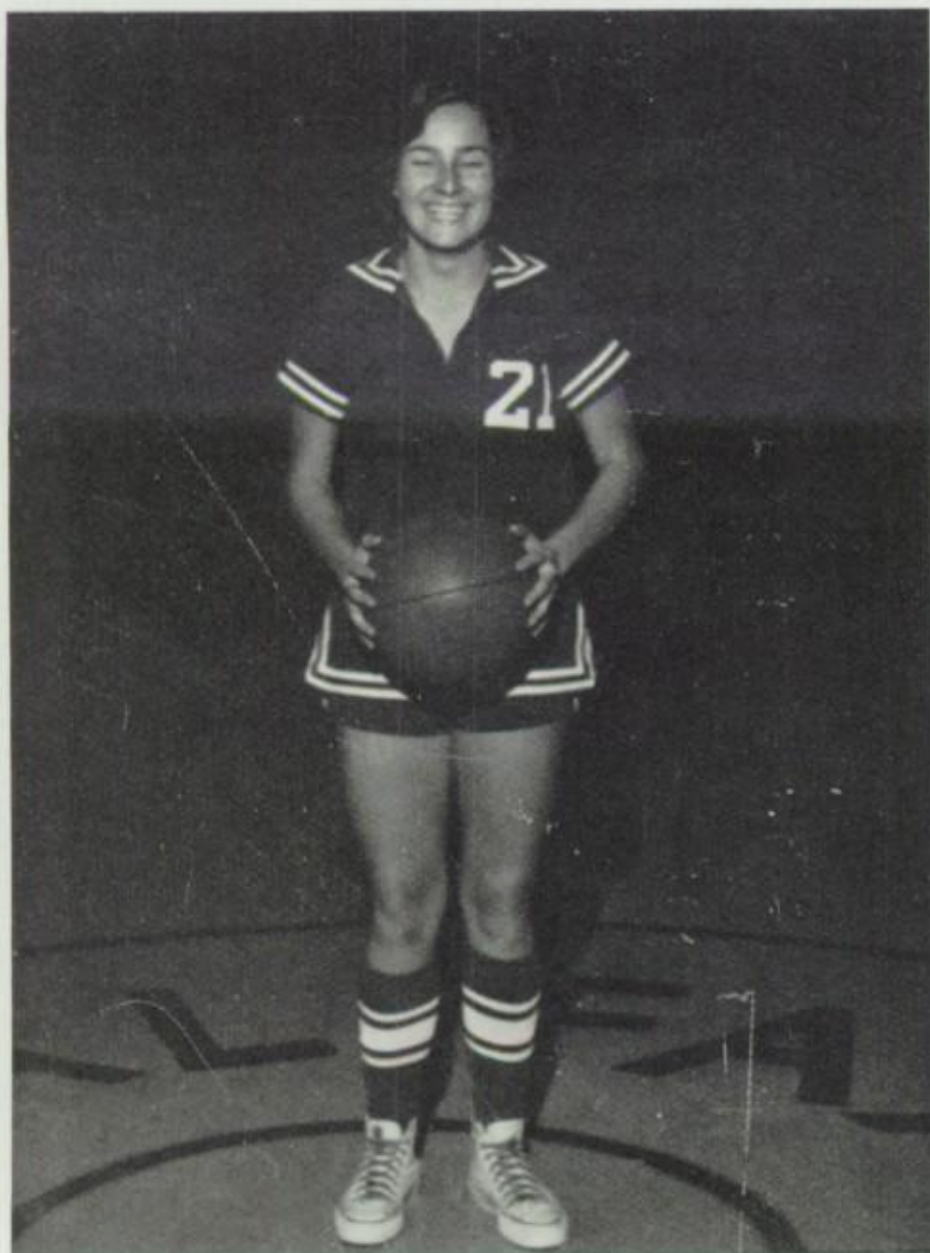

ALL CONFERENCE — 1977

Gloria West

Last years three all-conference players all returned to this years team adding experience and talent to the team. Gloria at the playmaking position of guard and Nancy and Mary on the front line sharing their strength on the offensive and defensive board should add spark to the team. With these three girls backing the team, it is sure to be another big success this year.

PATRONS

What would we do without our PATRONS? These parents and friends of our school always seem to be sponsoring one project after another. Projects include a spring and Halloween Carnival, concessions at the basketball and football games, and this year a new cafeteria program. We would like to say "Thanks Patrons".

"Those kids will be here soon!"

"Doesn't anyone want any candy?"

Keep on trucking!

"Now what am I supposed to do?"

"Well that's it until tomorrow!"

The DAR Good Citizen Award is given to the student who is an active participant in school and community affairs. The recipient of this award must also maintain a good academic record. We would like to extend our congratulations to Robin Glasgow and Kim Wollett. Robin received the history award and Kim received the good citizen award.

JUNIOR — SENIOR

"Somewhere Over the Rainbow" . . . the setting for the 1977 Junior — Senior at Halifax Academy. After long hours, hard work and much anticipation, the decorations were finished by 8:00 p.m. on May 14, 1977. Mrs. Tom Jones and Mr. Danny Hinnant, junior class sponsors, prided along with their class in a job well done.

The atmosphere took you on a journey into the world of blue skies, munchkins, and flying monkeys. The yellow brick road led to the castle of "Stardust", who provided the evening with music. For four hours the scenery led everyone to believe that their every wish really could come true. Though the evening came to close at the stroke of midnight and everyone returned to reality; I'm sure all who attended look back with happy memories and hopes of venturing to the end of their own rainbow someday.
